

CEIAG (Careers) at Putteridge High School

Employers and training providers: Policy

Here at Putteridge High School we are keen to give our students every opportunity to access the world of work, and with this in mind, we welcome employers, industry representatives and training providers to make contact with us to support our students in their journey to employability.

Here is a list of possible activities you could get involved with in our school/academy:

-  Work place visits
-  Careers talks
-  Work experience placements
-  Enterprise competitions
-  CV writing advice
-  Interview preparation

The CEIAG programme for each year group is outlined more fully in the careers section of the school website.

If you are able to support any of these activities to help our students to develop employability skills, please contact the named careers leader below:

Keith Callard (Careers Co-ordinator)
