Putteridge High School - Provider access

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All pupils in years 7-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Procedure

A provider wishing to request access should contact Keith Callard, Careers Coordinator, Telephone: 01582 415791; Email: kcallard@putteridgehigh.org

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers. Termly Business Breakfasts take place to facilitate opportunities for students to meet with employers. In addition, students are given information regarding Further Education and Apprenticeships via talks in school and annual careers fayres. Employers wishing to engage further with these opportunities are invited to contact the schools Careers Leader, Keith Callard email: kcallard@putteridgehigh.org Tel: 01582 415791
