PA Office

12th March 2020

Dear Parents and Carers,

In the event that the school should close as a result of Coronavirus, please be assured that we will provide appropriate resources to ensure your child will be able to continue their learning at home. There will be an expectation that all work set is completed.

A weekly bulletin will be emailed to you detailing overall learning expectations for each year group as well as any important messages. Following this, class teachers will set your child specific work in line with the planned curriculum and set tasks that are in line with your child's timetable via our homework platform Showmyhomework (<https://www.satchelone.com/login>).

All parents, carers and students have access to Showmyhomework, should you require support with access please contact our central admin team on 01582 415791 or ([admin@putteridgehigh.org](mailto:admin@putteridgehigh.org)). In the event of the school closing, please use only the email address.

In addition, you can find details of our curriculum for all year groups in all subjects as well as websites and links to further learning on our website under the 'home learning' tab (<https://putteridgehigh.org/home-learning>).

I would like to thank you for supporting your child's learning at home (in the eventuality of us closing), should you have any queries, please contact central admin in the first instance who can direct you to the appropriate person.

Yours faithfully

Mr David Graham  
Headteacher
