Dear Parent/Carer,

As we approach the final week of the summer term I can honestly say in my twenty five years plus of teaching I have never experienced anything that can compare to these last four months.

I cannot thank you as parents and carers enough for your unwavering support and cannot congratulate your children enough for the manner in which they have approached these challenging times.

This will be my final parental letter regarding this year, our future correspondence will be far more aligned to looking to September and the necessary arrangements that are being made to ensure we are COVID secure. I therefore wish all of our Y11 cohort the very best for the future and I know the whole Putteridge High Community would like to thank them for all of their huge contributions over the last five years.

Thank you to everyone who took part in the virtual sports week, so many people have enjoyed taking part. It was never going to replace sports day but equally I know so many have thoroughly enjoyed doing their challenges.

I hope you've enjoyed all of our celebratory pieces over the last few weeks, it's been a lovely way to conclude the term.

Yours faithfully

Mr David Graham
