

Headteacher: Mr David Graham

DG/AP
PA Office

29th May 2020

Dear Parent/Carer,

We continue to be in times like no other we have experienced before. We wish our primary colleagues well, as they are welcoming designated years back into school this week, particularly our neighbours, Putteridge Primary School. We wish all our Luton community primary schools a successful return in line with government guidance. We continue to host both vulnerable and children of Keyworker families back into Putteridge High. From the week beginning Monday 15th June we will begin to transition our Year 10 students back into school, in a gradual manner in line with Government expectations. We will be in touch with Year 10 families directly, a huge amount of work is taking place behind the scenes to ensure we are fully prepared.

Some of our departments are setting work via SENECA learning, parents can log on to view their child's progress using the attached help sheet.

Thank you to everyone who responded so fully to the remote learning questionnaire, your feedback has informed our strategies going forward. Thank you in advance for your support with your son/daughter's home schooling. It is important for everyone to keep things as fresh as possible and continue to work hard on striving for the right balance of hard work, knowledge consolidation, as well as relaxation and physical exercise.

Thank you for all the kind words of support for Putteridge staff, it is always hugely appreciated. I would like to wish you all a healthy and safe week ahead.

Yours faithfully

Mr David Graham
