PA Office

23<sup>rd</sup> March 2020

Dear Parents/Carers,

Thank you all for your immense support in these unprecedented times. We will communicate with you regularly going forwards and work together for our community. Firstly, thanks for your support in keeping children at home wherever possible. It is vital we slow the spread of the virus across the country and relieve the pressure on the NHS. As previously stated, only send your child in if you are a key worker, have a vulnerable child, **have no other safe childcare and it is absolutely essential.**

I am sure you will join me in thanking all of our staff, both teachers and non-teaching staff, for their efforts over the last week or so, and to the many staff that are coming into school this week. I am very proud of them and could not have asked for more at a time when everyone is under significant pressure.

You will have had details of online learning materials. We will send out reminders and further details over the coming days. We will ensure you have a list of up-to-date contacts for you throughout this time and this will be with you shortly.

Please stay safe and where possible stay home at this difficult time.

Very best wishes.

Mr David Graham  
Headteacher
