7th May 2020

Dear Parent/Carer,

As we move through different phases of this lockdown journey we are all having quite different experiences and of course feelings. Many of you will be juggling work with home schooling, while others will be working full time with little change. What we share is a commonality of not knowing what the next steps will be and just how they will be implemented and that is certainly something that many of us are finding hugely frustrating.

Teachers continue to work hard to set, monitor and feedback on the work set remotely through ShowMyHomework. Thank you for supporting your children through their learning. We continue to refine and develop the offer and will be soon reaching out again to receive more formal feedback. In the meantime do look out for positive points that teachers are awarding, two for excellent work and one for good work. This is a real opportunity to congratulate your child in this most challenging time.

Staff continue to work hard behind the scenes to prepare for our return, as well as the inevitable planning for next year. There will be inevitable change due to Covid 19, but equally there will be some exciting changes we have been planning to implement anyway. It's a short message from me today, as I know we are waiting for further information on Sunday. Wishing you all a safe and healthy week ahead.

Yours faithfully

Mr David Graham
