

Headteacher: Mr David Graham

DG/AP
PA Office

19th March 2020

Dear Parent/Carer,

I am sure most parents appreciate just how fast moving this situation is and that, at this moment in time, we have no more information about what is expected than what was shared last night by the Government. We know for certain that the school will be closing to the great majority of students tomorrow afternoon and that we are being asked to provide a service for key worker families and those that are vulnerable. We have begun work on the best strategy going forward and will do this in conjunction with our Chiltern Learning Trust partners. Once we have more information in place, we will contact you with further information.

For those in years 8 and 9, everyone has access to Showmyhomework and class teachers will set your child specific work in line with the planned curriculum and set tasks that are in line with your child's timetable via our homework platform Showmyhomework (<https://www.satchelone.com/login>). In addition, you can find details of our curriculum for all year groups in all subjects as well as websites and links to further learning on our website under the 'home learning' tab <https://putteridgehigh.org/home-learning>

Thank you for all your continued support and understanding during this extremely challenging situation.

Yours faithfully

David Graham
Headteacher
