Putteridge Road Luton LU2 8HJ

Headteacher: Mr David Graham

Maths &  
Computing  
Specialist School

BPo/ap/Clerk

13<sup>th</sup> December 2016

Dear Parent/Carer,

As you know, since Monday 31<sup>st</sup> October 2016 the school has undertaken a consultation with students, staff, parents and the local community on its proposal to become an Academy and join the Chiltern Learning Trust. On Tuesday 6<sup>th</sup> December a full Governing Body meeting was held and the responses submitted during the consultation period were reviewed at great length, including a very positive letter of support from Luton Local Authority. The Governors took into consideration a number of factors including equality, SEN, admissions and the quality of education.

After careful consideration it was unanimously agreed that the school will continue to progress towards Academy conversion and formally join The Chiltern Learning Trust, hopefully in February 2017.

The Chiltern Learning Trust is in a strong position to support Putteridge High School into the next phase of its journey. We look forward to working closely with the Trust schools, the Trustees and the Trust central team.

On behalf of the governing body I would like to take this opportunity to wish you an enjoyable holiday season and a very Happy New Year.

Yours sincerely

Bill Pollard  
Chair of Governors
