Dear Parent/Carer

I hope all is well with you and your family in these exceptionally difficult times. This is a new experience and way of working for everyone, yet I can assure you that we are doing all we can to support families and students in being able to carry on learning whilst looking after their wellbeing. To that end, I wanted to write and reassure you that the Pastoral and Safeguarding teams are still very much 'present' in being able to offer support and guidance to all within the Putteridge High School community.

I have detailed below the contact details of the Pastoral Teams associated with each House, together with the Behaviour Lead for the Pastoral Team who will be happy to support you with any concerns you may have. The contact details of the Safeguarding Leads are also below and ask you to contact us both should you have any safeguarding concerns whilst the school remains closed. The school office will remain open during school hours should you need to speak with anyone.
