

Putteridge High School

Remote Teaching and Learning Update

Survey Results

Approximately 50% of you told us that you had too much work

Over 70% of you felt that work set was at the appropriate level.

Approximately 50% of you asked to change the one day deadline for submission of work.

New Timetable

To reduce the number of pieces of work you receive and to help you with your organisation, we have written you a new timetable. There is one for KS3 and one for KS4, please see below.

The #FirstCLASS Engagement Activities timetable will be updated every fortnight and emailed out to you.

Engagement & Reward

We expect students to complete all work set to the best of their ability. However, we realise that for some of you, learning at home can be a struggle at the moment.

All work submitted will receive an H1 and if the work is of FirstCLASS quality, then you will receive an H2. PHFC will continue into the summer term with prizes and celebration for those students achieving their badges.

What you are learning

To make sure that when we return to school, we all start at the same point, we will not be introducing new topics/units of work. Therefore, most of your tasks set will be a review of what you have already learnt in the classroom.

Don't forget about the Extended Learning Opportunities on our website

(<https://putteridgehigh.org/home-learning>) if you want to explore your learning further

Marking & Feedback

Your teachers will provide encouraging comments on your work each week.

Your teachers may also ask you to complete self or peer assessment.

You will find your teacher's email address on SMHW, should you need to ask for support.

Useful resource

All home learning will continue to be set on SMHW and where possible, your assignments will be set and collected on Google Classroom.

Here is a useful video to support you with this:

Opening and submitting an assignment from a student perspective

#FirstCLASS Engagement Activities

<p>Cook your family a meal use Jamie Oliver for inspiration https://www.channel4.com/programmes/jamie-keep-cooking-and-carry-on</p>	<p>Like learning about animals? Watch an episode of Deadly 60 https://www.bbc.co.uk/cbbc/shows/deadly-60 Write a report on an animal that interests you.</p>	<p>Set up a book club with your friends/family. Arrange a time to meet online and discuss the book together.</p>	<p>Write a poem or a song. Enter the Foyles Young Poet of the year award.</p> 	<p>Create a piece of artwork using recycled items in your house. Take a photo.</p>	<p>Watch an episode of Horrible Histories. Write an obituary of an interesting historical figure. https://www.bbc.co.uk/cbbc/shows/horrible-histories</p>	<p>Grow food from seeds if you have some at home or using scraps (e.g. garlic cloves or pepper seeds) Click Here</p> 
<p>Listen to an audio book, try: https://www.worldofdavidwalliams.com/elevenses/ or https://stories.audible.com/start-listen</p>	<p>Write (and post!) a letter to a friend or family member.</p> 	<p>Get creative use Art Ninja or Rob Biddulph https://www.bbc.co.uk/cbbc/shows/art-ninja http://www.robbiddulph.com/draw-with-robb</p>	<p>Identify five different trees/plants you didn't know before. Try using the app inaturalist.</p>	<p>Like singing? Try this: https://www.youtube.com/watch?v=rFgYqP2wUQU</p>	<p>Make a scrapbook of how you have spent your days and what new skills you have acquired. This could be with words, images like a montage</p>	<p>Plan and lead an exercise session and produce a video. Get your family to do it with you.</p>
<p>Exercise is important for physical and mental health. Try: https://www.nhs.uk/conditions/nhs-fitness-studio/yoga-with-lj/ or https://www.youtube.com/channel/UCAXW1XT0iEJo0TYIRfn6rYQ</p>	<p>Spend an evening stargazing and identify the stars you see. Or watch the northern lights online.</p> 	<p>Build a lego model of the school, or part of it - see how much you can recall from memory.</p>	<p>Write a motivational speech (politician style!) to inspire or motivate others to stay positive. Film it.</p>	<p>Have a go at some science experiments: https://www.youtube.com/user/maddiemoate or Join the online science fair. You can enter the tasks as an individual or as a team.</p>	<p>Take a photo of as many items as possible that begin with the same letter in a foreign language.</p>	<p>Film a wildlife documentary in your garden.</p> 

Top Tips for Learning at Home

- Get started early (try not to work in your PJs!)

- Follow a structured day (use our timetable)

- Choose a workspace that is comfortable

- Limit your social media time (use it as a reward)

- Take regular breaks

- Have a quiet space with few distractions

- Keep active - 20 minutes of exercise a day can create a positive mental attitude
